

Adopt-a-Wetland

Tybee Island Maritime Academy
(TIMA)

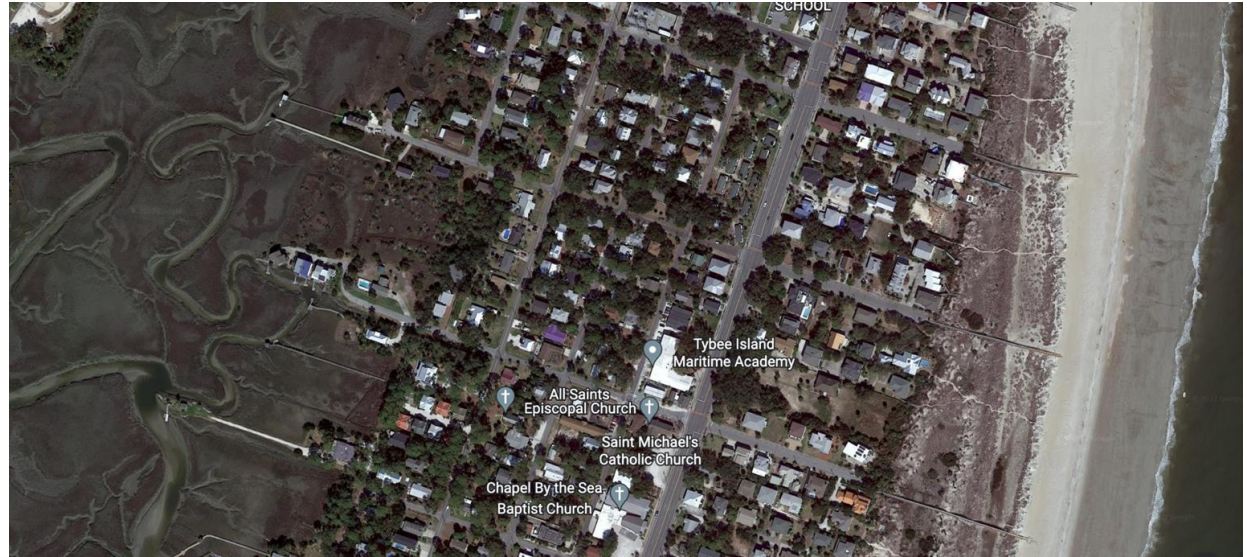

Who are we?

7th Graders taking High School
Environmental Level Science

Our Wetland- Horsepen Creek, Tybee Island

What do you enjoy about Adopt-a-Wetland

Adopt-a-Wetland and STEAM

Next Steps

- Continue citizen science monitoring
- Analyze trends in data over longer time periods
- Students develop their own long-term research projects
- Continue the development of film skills by producing nature documentaries centered on salt marsh ecology
